The film, which has the first of two screenings tonight at 9 at the Loews Village Theater VII as part of the fifth Human Rights Watch International Festival, is set in Rome in the immediate future. Marco Canova (Jacques Perrin), a judge investigating an arms-running and bribery scandal, and his wife, Carla (Carla Gravina), a successful gynecologist, live in terror for their lives at the hands of the syndicate he is investigating. Carla's nightmares come true when her husband's plane is blown up and she has to decide how to dispose of her husband's papers.	1994-05-31	TX 3-833-144
